Overview

The 6 Packed Conferences are rated by our attendees among the very best supply chain conferences. We are large enough to draw top speakers from around the country and offer a wide variety of topics. We are also small enough to easily interact and network with the attendees, instructors and organizers.

APICS Terra Grande District and its chapters proudly present the 9th annual 6-Packed Conference in Dallas, Texas on February 28th and March 1st. Once again, we will feature over 40 sessions presented by recognized supply chain leaders covering 5 topical areas in the General Sessions and a Special Lean Certificate Program. Earn 16 certification maintenance hours when you attend both days.

— General Sessions (5 concurrent sessions) covering:

- Best Practices in Operations Management
- Cost, Quality, Delivery and Flexible Supply Chain
- Leadership Skills & Empowering People
- S&OP - Supply Chain Planning
- Sustainable Operations

— Special Session (enrollment is limited) – 2 Day Certificate Program

- Advanced Planning and Scheduling using Lean and 6 Sigma Tools
